Exporting

The New South Wales Department of State and Regional Development (DSRD) provides support and information for businesses wishing to start or expand their export activities.

Support and information are provided through:

- [Regional Export Advisors Network](#)
- [NSW Exporters Network](#)

New Export Opportunities Program

This program assists small to medium-sized companies, including existing exporters, to develop a better understanding of customer requirements. The program incorporates an extensive schedule of [trade missions and market visits](#) to bring exporters in direct contact with agents, distributors and end users.
