NSW Business Missions

The Department of State and Regional Development is focused on attracting more investment and job opportunities to NSW and on strengthening our trade capabilities.

We organise high level visits, trade missions, market visits and participation in international trade exhibitions to high potential and emerging markets.

For more information phone the [International Business Relations Unit](#) on +61 2 9338 6644.

For information on our small business trade promotion program see the [Small Business website](#).
