Kyogle cashing in on international car rally

04 Feb 2009

The Northern Rivers town of Kyogle is expected to benefit from hosting the Repco Rally Australia event in September this year. Kyogle Chamber of Commerce will receive \$30,000 from the Department of State and Regional Development to help local businesses make the most of the event.

This event will boost the local economy, creating new jobs and driving business investment. The attention of rally fans from all over the world will also be on Kyogle and the Northern Rivers during the event.

More information is available on the Department's programs to [support regional communities](#).
